

Welcome to the Poplar Ridge Improvement Association

We would like to welcome neighbors new and old to join and/or continue to belong to the Poplar Ridge Improvement Association (PRIA). Membership in PRIA is 100% voluntary and the organization is 100% volunteer run. As such, we need your support and participation to continue to operate smoothly.

The PRIA mission is 3-fold:

Advocacy

We are the voice of the people of Poplar Ridge. We keep the community informed of development projects or legislation which may impact our quality of life. We are the community's voice at such forums as the Anne Arundel County Police Community Relations Council. We also engage with county agencies to help solve community problems and resolve complaints.

Organization

The PRIA works to develop a strong sense of community and camaraderie among the residents of Poplar Ridge. The better we know one another, the easier it is to communicate and come together in times of need. Throughout the year, PRIA organizes meetings, events, and activities to keep our members engaged, informed, and entertained. Keep an eye out for emails, messages, and flyers announcing events such as the annual holiday party, chili cook offs, boater safety classes, and guest speakers.

Stewardship

In 1953, J. Albert Corey and Mary Louise Corey gifted the property we now know as the Poplar Ridge community hall to the PRIA. As an organization, we are beholden to care for and manage this resource. The PRIA coordinates routine maintenance of the physical facility and landscape, manages facility rentals, and invests in a variety of improvement projects.

Your membership and participation are truly appreciated. Together, we are what makes this community great.

Kind regards -

The PRIA
